Padukka.

EDUCATION

BSc (Hons) in Data Science Present
SLTC Research University

**G.C.E. Advanced Level
(Physical Science Stream)** 2024
Ananda College - Colombo 10
-1C & 2S

**Degree Foundation in
Business and IT (UK ABE Endorsed
Qualification)** 2022
AOG Campus - Kolonnawa

G.C.E. Ordinary Level 2021
D. S. Senanayake College - Colombo 07
-9As

LANGUAGE

English

Sinhala

About Me

Highly motivated Data Science student with strong computer skills and a quick-learning mindset. Passionate about leveraging technology to solve real-world problems, I am eager to gain professional experience, tackle challenging projects, and continuously grow within a dynamic and supportive workplace. Committed to learning, collaboration, and applying innovative solutions to make an impact in the field of machine learning and artificial intelligence

SKILLS

Technical Skills

- Python (NumPy, Pandas, Scikit-learn) – core for ML & data analysis
- SQL & Data Handling – querying, cleaning, and preprocessing datasets
- Machine Learning for Frontend Insights – implementing regression, classification, and clustering to create intelligent, data-driven UI/UX features.
- Data Visualization for Web Interfaces – using libraries like Matplotlib, Seaborn, and Plotly to build interactive dashboards and visual elements for web apps.
- Problem-Solving & Analytical Thinking – applying algorithms and statistics effectively
- Adobe After Effects ,Adobe Photoshop , Adobe Illustrator

Non Technical Skills

- Analytical Thinking – ability to break down complex problems and find effective solutions.
- Quick Learning & Adaptability – picking up new tools, frameworks, and concepts fast.
- Teamwork & Collaboration – working effectively with peers on projects and tasks.
- Time Management – balancing studies, projects, and deadlines efficiently.
- Critical Thinking – evaluating information and decisions logically and objectively.
- Problem-Solving Mindset – approaching challenges proactively and creatively.

WORK EXPERIENCE

Mar 2026 - present

devCODE Designs

Front-end Developer

- Build responsive and user-friendly web interfaces
- Collaborate with design and development teams on projects
- Improve website performance and cross-browser compatibility
- Implement client requirements into functional designs

Dec 2025 - Mar 2026

devCODE Designs

Web Designer

- Designed responsive websites and user-friendly interfaces
- Created wireframes and UI mockups using design tools
- Worked with clients to refine and finalize design concepts

2024 - Present

Freelancer

Graphic Designer

- Design graphics for branding, social media, and web use
- Create logos and marketing materials based on client needs
- Manage multiple projects and meet deadlines
